LINE-X Expands and Relocated in Suffolk

SUFFOLK, Virginia (October 26, 2011) On Thursday, October 27, 2011, LINE-X of Suffolk will open the doors to their new and expanded location at 2432 Pruden Blvd. from 12:00 to 2 p.m. for a Ribbon Cutting Ceremony, followed by an informative Lunch-and-Learn symposium. LINE-X's newly renovated space offers them an additional 5,000 square-feet as part of an expansion plan. LINE-X of Suffolk will also be expanding their services to include equipment-enclosed-dump trailers and a full service trailer repair center.

The Lunch-and-Learn will provide valuable information on how LINE-X can help your business and give you updates on current and upcoming trends for automotive, commercial, light industrial, heavy industrial, agricultural, military, marine and custom applications. Interested groups and individuals for the Lunch-and-Learn are encouraged to contact LINE-X of Suffolk at 757.539.7710 to reserve a seat.

"An essential key to successful economic development is the growth of our existing businesses," commented Mayor Linda T. Johnson. "We are so pleased to see LINE-X expand in Suffolk and we wish you continued success."

About LINE-X Protective Coatings:

LINE-X Protective Coatings (www.LINE-X.com) is the nation's leading developer and provider of high performance protective coatings offering scientifically formulated polymers that permanently bond to a wide range of surfaces for unmatched durability. Headquartered in Huntsville, Alabama, with more than 500 locations in 43 countries, it is the goal of LINE-X to consistently produce the highest quality and most reliable materials available.
