SUFFOLK, VA (November 06, 2009) The City of Suffolk has completed evaluation of proposals submitted pursuant to the Request for Proposals for Obici House Renovation and Reuse. Based on the evaluation criteria, all of the proposals failed to meet one or more of the specific purpose requirements listed in the Request for Proposals which included in part: Obici House Renovation, Restoration and Re-Use Plan, Property Management Program, Financing Capability, Fiscal Impact/Benefits to the City, Project Team, Similar Project Experience, and Proposed General Terms of Agreement and Lease Price Offer. The City will continue to evaluate options as it applies to this location.
