UPDATE

SUFFOLK, Va. (December 9, 2009) City phones are now functioning.

SUFFOLK, Va. (December 9, 2009) The City of Suffolk Municipal Center and several city facilities are currently unable to make or receive calls from outside lines. Efforts are underway to make repairs.

The Emergency 911 System **is not** affected by this outage and 911 is functioning. Callers who wish to contact emergency services for non-emergency purposes may call 757-925-2030.
